4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE

The Junior navy officer carries out duties possibly as a corporal on board of a vessel. He can be deployed anywhere in the world in a wider variety of situations.

The qualification Junior navy officer prepares for a career within the Ministry of Defence. The Junior navy officer can, should he meet the security requirements, surveys and selection requirements, be employed as a military and work for one of the departments of Defence. The Junior military officer will first and foremost work for *one* of the operational commands. When he is appointed by Defence and recruited by *one* of the operational commands, he will first follow an elementary basic training which will be followed up by a job training. The duties of a Junior military officer are on the crossroads between command and execution (middle management). He must be able to act as a commander on a lower execution level no matter whatever the circumstances.

To be eligible for a work placement at the Ministry of Defence a certificate of good behaviour and a positive Sports Medical Advice must be produced.

5. OFFICIAL BASIS OF THE CERTIFICATE

A vocational training Junior military officer allows the student after being appointed to be transferred to the non-commissioned military training where Junior military officers can continue their military training. He will be trained in the general military basics – parts of a technical training are also included.

At the Royal Navy the Junior officer can be promoted to the function of a sergeant (1st class), sergeant-major and adjutant Junior military officer. Outstanding Junior officers can also be promoted to the highest junior officer level: staff adjutant or to certain officer ranks.

The Junior navy officer can transfer to courses such as Coordinator security (a diploma security guard level 2 is a prerequisite), Enforcer supervision and safety, Sports coordinator and to different Middle Management officers courses such as construction

Legal basis

Act on Vocational Education and Training (WEB), registered number of qualification: 25419

The education and training for this qualification is offered as of August 1, 2015.

6. OFFICIALLY RECOGNISED WAYS OF ACQUIRING THE CERTIFICATE

Senior secondary vocational education features two learning pathways: the school-based pathway (bol) and the training on the job pathway (bbl).

In the school-based pathway, the majority of the course consists of theory at school. The extent of the practical component (vocational practice) is between 20% and 60%. In the training on the job pathway, the extent of vocational practice is at least 60% of the course. The participant works four days a week in a training company, and attends school for theory subjects just one day a week.

In principle it is possible to follow both learning pathways, but which pathway is offered will depend on the individual educational institution.

Average duration of the education/ training leading to the certificate	3 years (4800 study hours) (depending on previous education)
---	---

Entry requirements

The certificate preparatory vocational secondary education (vmbo) basic vocational programme, or a comparable level.

7. ADDITIONAL INFORMATION

Dutch senior secondary VET is based on qualification files, that each contain one or more qualifications. The information included in part 3 and 4 is derived directly from the qualification file determined by the Minister of Education, Culture and Science. The complete qualification file can be found at <http://kwalificaties.s-bb.nl/>, only in Dutch.

Optional subjects are linked to the qualification. The optional subjects have a total size of 15% of the course duration. The optional subjects completed by the student are listed on the certificate.

Additional information, including a description of the Dutch national qualifications system, is available at the Netherlands National Reference Point (NRP): www.s-bb.nl. The NRP is the information centre for vocational qualifications in the Netherlands. SBB has been appointed in this capacity by the Ministry of Education, Culture and Science.
