5. OFFICIAL BASIS OF THE CERTIFICATE

Access to next level of education/professions

With a diploma at qualification level 2, transfer is possible to a course at qualification level 3.

International agreements**Legal basis**

Act on Vocational Education and Training (WEB), registered number of qualification (crebo): 10802

6. OFFICIALLY RECOGNISED WAYS OF ACQUIRING THE CERTIFICATE

Senior secondary vocational education features two learning pathways: the school-based pathway (bol) and the training on the job pathway (bbi).

In the school-based pathway, the majority of the course consists of theory at school. The extent of the practical component (vocational practice) is between 20% and 60%. In the training on the job pathway, the extent of vocational practice is at least 60% of the course. The participant works four days a week in a training company, and attends school for theory subjects just one day a week.

In principle it is possible to follow both learning pathways, but which pathway is offered will depend on the individual educational institution.

Average duration of the education/ training leading to the certificate**2 year(s) (3200 study hours) (depending on previous education)****Entry requirements**

The certificate preparatory vocational secondary education (vmbo) basic vocational programme, or a comparable level.

7. ADDITIONAL INFORMATION
